I am the ____, where is the ____? (A forum game that I totally stole from ...)

dragonheart1973

Title. I'm pretty sure their username was *looks* btw777! Credit to them! Anyway, so the gist of this game is that I say, "I am the *insert something here*, where is the *insert something related here*?" Someone else replies, "I am the *insert whatever that something related was here* where is the *insert something related to *that* here*?" Oh, and feel free to make as many references as you want! I know my explaining doesn't make much sense, so here is a mandatory example!

Me: I am the stars, where is the moon? (~~or the three moons...~~ hehehe)

PersonPerson123: I am the moon, where is the sun?

FireDragon321: I am the sun, where are the clouds?

And so on. Anyway, I'll start.

I am the mountains, where are the SkyWings?
